**RESPONSE**

Sir:

This is in response to the Office Action of June 14, 2006. Claims 1-20 remain in this application.

**1. Oath / Declaration**

In the Office Action of 12/06/2005, the Examiner indicated that the oath or declaration is defective because of a space in the inventor's name. On 01/30/2006, Applicants submitted a true copy of the originally filed Declaration and Power of Attorney document as originally filed. Furthermore, Applicants indicated that the missing characters in the Declaration text occurred as a result of a scanning error or other processing error and are not present in the paper copy as filed.

Applicants note that the Office Action of June 14, 2006 does not indicate affirmatively whether the Declaration and Power of Attorney has been deemed acceptable, and that box 11 on the Office Action Summary is now unchecked. Applicants respectfully request that the Examiner explicitly confirm that the originally filed Declaration and Power of Attorney, together with the true copy submitted on 01/30/2006, has been accepted.
